Thursday 13th December 2018

Four glasses of Champagne | Canapés | Three Course Lunch | Return Transfers

Join us at Boomrock this Christmas for a superb lunch on the clifftop. Boomrock Lodge sits on the edge of a 3000-acre coastal property, 750 feet above the Cook Strait. Our Resident chef, Mark Hartstonge, has matched canapés and a three course meal with a very generous selection of Pernod Ricard G.H. Mumm and Perrier Jouët champagnes. This lunch is perfect for a group of friends or colleagues.
